No. AN/X/10050/10/2014

All Pr. CsDA/ CsDA and equivalent.

Subject: Transfer DAD Establishment – Group 'C' & 'B' employees and upto the level of AAOs.

As aware transfer requests in respect of captioned members of department are processed by this office mainly based on Half Yearly List for the month of October received from PCsDA/CsDA. Since this exercise involves comprehensive transfers of volunteers as well as that of station seniors, and is supposed to coincide with beginning/close of academic session, the importance of timely finalization of the same need not be emphasized. This objective can be achieved only if requisite reports/information is received from all PCsDA/CsDA by the stipulated dates and that too in a uniform manner.

2. In order to obviate delay in finalization of the HYL and to capture information in a uniform manner, separate proformas for volunteers and station seniors for furnishing individual applications and for furnishing information by the Controllers have been devised. The information pertaining to 10/2014 and onwards may kindly be furnished on these formats keeping in view the instructions as noted in the proformas inter-alia ensuring that under mentioned guidelines have been adhered to:

- i) No transfer within organization is carried out in respect of individuals whose names have been included in HYL till finalization of the same by this office. In case any transfer is inevitable due to administrative reasons, the same may invariably be reported to Hqrs. forthwith specifically giving reference to the HYL report. However, such type of cases should be kept to the barest minimum as the same might result in issue of orders concurrently by Controller's office and by HQrs. and also change in vacancy position.
- ii) Further, if there is any subsequent change in the status of any employee, whose name was included in HYL; due to any reason viz. appearing in SAS Part-II, involvement in disciplinary case, nomination as ROC/JCM member or resigned from department etc. the same has to be specifically intimated to AN-IX & X sections of HQrs. giving reference to HYL, while intimating the fact to other concerned sections of HQrs.
- iii) The application from each individual included in the volunteers list and list of station seniors is attached in the sequence in which their names appear in the HYL report.
- iv) For not recommended cases, the reasons have been recorded in relevant columns of the report, failing which such cases will be taken as recommended and transfers orders will be issued by this office.
- v) Grounds for recommendations have been carefully classified and mentioned specifically while making recommendations in the application format.

- vi) Where names of volunteers have been forwarded to Hqrs. for inclusion in various panels viz. Bhutan, Port Blair, Northern Region or deputations etc. the fact has been brought out specifically while forwarding the report.
- vii) Request on medical grounds should be screened to see that the same is supported with medical certificates (showing name of disease, its gravity, since when suffering and present status) and not by copies of prescriptions and pathological reports. Besides, cases seeking exemption under para 8 of the transfer policy are supported with relevant certificates issued by the competent authority as per applicability. In the absence of relevant certificate the case will be regarded as normal case of stay away seniority/station seniority.
- viii) In cases containing recommendations with regard to domain experts please indicate the details and status of projects on which officials are deployed.

3. Since all out efforts are made to accommodate all the deserving cases to the extent of administrative feasibility, Controllers are requested not to forward individual applications after rendition of HYL in a routine manner. Only genuine requests which could not be included in the HYL due to unforeseeable circumstances may be forwarded under DO letters from PCsDA/CsDA with due recommendations and clearly bringing out the genuineness of the case supported with copies of documents/certificates as noted above along with prescribed proforma for making request for transfer duly filled up by the applicant. The applications received otherwise will not be acted upon by this office and responsibility to respond to the resultant grievances/RTI applications will rest with Controller's office. Subsequent requests for change of choice stations given in HYL or inclusion of new cases will however also not be entertained.

4. It is also seen that after finalization of HYL transfer by this office, a number of individuals have represented that their juniors in the volunteer list have been transferred. In this context, it is clarified that volunteer lists displayed on official website are sorted in descending order of stay away seniority from choice station and this stay away seniority is not the lone criteria for considering transfer requests as due weight-age is also given to factors viz. hard/tenure completion, medical grounds, age, physically disability, serving spouse, ladies seeking repatriation etc. It is therefore, requested that such representations may kindly be examined carefully with reference to these aspects before forwarding to Hqrs.

5. In view of the above, it is requested that soft copy of information pertaining to HYL 10/2014 in DBF/MS-Excel may please be furnished to this office through CGDA WAN (HQ Admin-X folder)/email admnx.cgda@nic.in for Group 'B' & 'C' staff and admnix.cgda@nic.in for SO(A)/AAO by 15th October, 2014 and information in hard copies along with other documents by 31st October 2014.

6. The soft copies of formats are also available on CGDA WAN (HQADMINX folder).
