**Note:** It has been observed that representations for change of postings ordered by this HQrs. Office citing various reasons are received after release of promotions. In order to avoid administrative dislocation caused by review of these transfer orders, it is requested to have **Annexure-F** given above completed in respect of AAOs in the consideration zone, who may so desire. This Annexure attempts to capture all relevant information regarding family problems, medical reasons etc., that an officer may like to mention in support of his/her request for a particular station. We would keep the requests in view while deciding the postings but it must be made amply clear to all concerned that this should not be viewed as a promise to post the officers at their choice stations. The postings will be decided after duly considering the information supplied and, therefore, no further representation for change of posting will normally be entertained once the promotion orders are issued by this HQrs, unless the request is for forgoing the promotion. No further representation for change of posting on promotion should, therefore, be forwarded unless it is for forgoing promotion or warranted by some unforeseen later developments. Further, since the circumstances of the eligible AAOs who have given choice stations earlier, might have changed, fresh applications are required to be submitted to this HQrs in respect of each eligible AAO falling in the zone of consideration so that while deciding their postings, the latest grievances/problems mentioned by them be kept in view for considering their posting on promotion to AO's grade. The Pr. Controllers/ Controllers are also requested that separate recommendation be made in each case.
